### Opening Sale Under Way

Figuring that boat owners must also be automobile owners Sam Rumley, manager of Rumley's Boat Bargain Center operates a complete Mobil Service Station, featuring auto repair, tune-ups and brake service across from his boat center where 24-hour service on boats and motors is part of boat sales at 1261 N. Gaffey St., San Pedro.

A grand opening boat sale is now in progress at Rumley's where the latest in sports craft is on display and available.

Rumley started building model boats before he got into the sales and service of life-size models. His booth in the recent Pacific Coast Boat Show in Long Beach was considered outstanding.

The Wallace brothers, Roy and Don, head up the service department for the concern.

### WINNING BARBER SHOP QUARTET SINGS FOR NORTH LIONS CLUB

After winning the district championship of five states at Oakland Oct. 24, "The Saints" representing the South Bay Chapter of SPEBSQSA are well on their way to the National title.

This smooth singing foursome entertained the North Torrance Lions last Tuesday night and showed the local businessmen the form that won the competition for them.

Twenty-four topnotch quartets from the far western district were beaten by the local four.

The South Bay chapter of the singing organization meets at the Pacific elementary school in Manhattan Beach every Monday at 8 p.m. Director Rollo West, who sings tenor with the "Saints," encourages all service clubs to form their own quartet.

Instruction and arrangements are free at the Monday meetings. The North Torrance Lions are contemplating a
